

# Be on the lookout for an email or text message welcoming you to our new surgical patient portal!

This portal will allow you to complete your pre-surgical questionnaire online instead of answering these questions over the phone. When you complete the online questionnaire, your responses will be reviewed by a nurse, who will contact you by phone if there are any additional questions.

You will also have access to your pre-surgical instructions and can access them at any time by clicking on the link in the email or text message.

## ■ Do I need to download an app for this?

No, by clicking the link in the email or text message, you will be brought to the login screen in your web browser.

## ■ Do I need to create an account and a password?

No, your secure link will allow you to log in using your name and date of birth.

Please contact the surgery center if you have any additional questions.
