

Come Join Our Team!

Our teammates thrive on delivering the very best experience to our patients. We want all patients to be treated like we would want our own loved ones to be cared for.

Among the best places to work in the Saginaw Valley, Great Lakes Bay Surgery & Endoscopy Center offers a patient-focused healthcare professional work life balance: no nights or weekend shifts and No call required.

We offer competitive wages and an active role in delivering the very best in ambulatory surgery care. A range of benefits are available for our full-time and part-time team members including paid holidays.

Open Monday through Friday, we offer full-time, part-time and per diem positions for nurses, surgery technologists, instrument processing techs, and business administration roles to name a few.
