

Dear Patient,

Your Physician has scheduled you for a procedure at Great Lakes Bay Surgery and Endoscopy Center in Midland. We are located just west of US-10 on Bay City Road. Please find a map and directions on the reverse side of this letter.

You must bring your driver's license and insurance card to every visit.

You must have a responsible adult (18 or older) who will bring you to the Center, be available to review your discharge instructions, remain on site for the duration of your procedure and drive you home.

- Read and carefully follow any pre-procedure prep instructions that may be enclosed as thorough preparation is **VITAL** to a successful procedure.
- **Your physician will determine if you require any pre-operative testing or a physical** and provide you with scheduling instructions. They will provide your results.

Once your physician's office schedules your procedure/surgery, you will receive a text message and/or email 30 days prior to your date of service that will provide a unique link that will connect you to our secure Patient Health History form. You will be able to complete the form with a computer, tablet or on a cell phone.

This information allows your anesthesia provider to plan your care. For questions or if you need help to complete the form, call our Pre-Procedure Nurse at (989) 495-9100. If you do not complete your health history, your appointment may be cancelled.

We ask that you call the day before your procedure after 1:00pm to receive your arrival time.

Please call (989) 495-9100 with any questions regarding your procedure. Our website provides additional information about our services - www.glbsurgery.com.

Great Lakes Bay Surgery and Endoscopy is open Monday-Friday with business hours 7:00 am-4:00pm. We appreciate the opportunity to partner with your physician to provide you with excellent care.

The Great Lakes Bay Surgery and Endoscopy Team
